

Nicky Gene Wolfe

February 15, 1935 - April 4, 2019

Nicky Gene Wolfe passed from this life on April 4, 2019 in Oklahoma City at age 84. Nick was born on February 15, 1935 in Carter, Oklahoma to Nick Wolfe and Callie (Stewart) Wolfe. He grew up in the Carter area and graduated from The Highway School in 1953. He continued his education at the University of Oklahoma and Southwestern Oklahoma State University receiving his BA & MS degrees in Education. On June 1, 1957 Nick married the love of his life Larue Cooksey and to this union was born two daughters Gina and Jill. Nick taught and coached basketball at Olustee, Snyder, and Altus. He later was a professor at Western Oklahoma State College, and retired in 1988.

After retiring, Nick stayed very busy farming and raising Brangus cattle. He always had a project that he was working on, whether it be at home or on the farm. In 2000, Nick and Larue moved to Tuttle to be closer to their loved ones. This allowed him the opportunity to spend time spoiling his granddaughters. Nick is survived by his two daughters; Gina Duckwall and husband Brian of Newcastle and Jill Hankins and husband Ray of Tuttle, brother Bill Wolfe of Elk City, sister Carolyn Winingham also of Elk City. Nick leaves a legacy of two granddaughters, Madison Duckwall and Morgan Duckwall and a host of other relatives and friends. He was preceded in death by his parents Nick and Callie Wolfe and his loving wife Larue.

In his life he faced many battles with the health of his physical heart, but God granted him 84 years with all of us via the help of advances in cardiac medicine. Therefore, in lieu of flowers, memorials can be made to the American Heart Association. The research that they were able to do helped give us the time we each had with Nick and can only further help others in the future. Thank you for honoring his memory with your memoriam. www2.heart.org/goto/NickWolfe

“ *I only knew Nick for a short time and made his acquaintance after I moved in to the neighborhood. I did so enjoy our "at the curb" conversations and it was so interesting to hear about his life, his professional journey and family. What a fine man. I know he will be greatly missed by his family. Prayers to all.*

“ *My friendship with Nick Wolfe occurred while I was the men's head basketball coach at Western Oklahoma State College from 1977-1980. We went to lunch many times and Nick also was the official game clock timer for the college basketball games. He would visit our practice sessions many times as well. My wife and I also visited Nick and his family at their home as well. Nick was a true gentleman and friend as well as a person who was enjoyable to be around. He always made you feel comfortable in his presence. My sincere sympathy goes out to his surviving family. Robert McPherson*

“ So sorry for your loss. I remember your family from Thomas Street Church of Christ in Altus. Nick was only 3 1/2 years older than I was, but he was my instructor at WOSC just a few years before he retired. I was approaching 50 years of age when I finally got my degree. He gave me a hard time in class and I gave it back to him! We had a good time, and I will always treasure those precious memories. You have my deepest sympathy. Shirley Olson

“ So sorry to hear we have lost another of our Highway Family. He will be missed by so many. I have known Nick since I was very young and use to spend the night with Carolyn Beth and he would tease us and was so full of mischief & fun. Callie would mix up a batch of fudge and it was the best. Love and Prayers to you all. Phyllis Jones Henry

“ My Jr. or Sr. year (1965-66 or 66-67), Coach Wolfe asked me (Jimmy Carter) to go along with him "AND" his Altus H.S. girls basketball team to play in the Quarter Finals of State. I was the basketball manager (responsible for water bottles & medicine kit, etc).

I was a little in awe as I had never been out of Altus on such an important trip as a helper for our girl's basketball team who was on their way to "maybe" play for a State Title. Coach always had an open mind and willing to listen to all his players. Our girls were good that year - - "NO" ---> They were "GREAT"! And thanks to Coach Wolfe as he was the one who pushed our girls to be so good. Nick Wolfe will be greatly missed!

If anyone reads this - - please correct me on any of our girl's wins & losses from back then!

“ Oh the fun we all had as neighbors. Friday night meals, watching Dallas, and stealing chocolate pie. Those memories are priceless. So sorry for your loss but Heaven gained a good one. Love and prayers to all.
