“ To Norma's family:

We met Norma Ward in 2009 when we joined the First Cumberland Presbyterian Church of Mangum, OK. She was the song leader!!!! Not only did she lead, she could hit those high notes too!!! Eventually, I became her accompanist and then my sister joined in on the piano and/or organ so we had a three-way music ensemble. Since Norma lived across from my sister, Bonnie Smith, we began picking her up on Sundays because we enjoyed her company and it helped her to not have to struggle in winter months getting her car warmed up. We did this for 6 years..... until the church closed in 2015. This last year we have missed our old congregation and Norma's wit and humor on Sundays. We especially miss the wonderful music and old hymns.

Norma was a talented lady in everything she decided to do. She could do tremendous paintings, sew anything on a machine, make all kinds of crafts, design or implement whatever was needed for Sunday School or an event and sing!!!! She was a walking fashion plate most Sundays; artistic was her middle name!!!

A youth group from Texas put a ramp on Norma's back door this summer making it easier for her to get out of the house. She was battling fatigue and pneumonia, so we didn't see her out much but we talked by phone.

We will miss her and we are so glad we had the 6 years together. She will never be forgotten by our family.

May God watch over you and give you peace.
