“ *I am at staff at Dale Rogers Training Center and worked with Pat she always smiled and asked how you were doing. She used to tease me about country music as she knew I didn't like it and she tried so hard to get me to like it. Never happened. We also gave each other a hard time when OU played OSU as she was OU and I was OSU. Had to wear a OU shirt one day and Pat just laughed and laughed!! When she shopped at the coupon store she always wanted word search puzzles so I would save some for her. She will be missed and will miss her smile. Debbie Ladd OKC*
