“ Ken Lindley, Donnita Fix and Lois Harrison would like to send our condolences to what is left of her family. We spent many hours together as young children. We have a lot of memories of her parents' and sister. Peace and comfort from some of her cousins.

Pat and Ken were lifelong friends of our parents, having met in 1954 in Rapid City, SD while stationed there in the USAF. Pat and Ken shared an upstairs apartment with our mom and dad in the home of the Werlingers, and all claimed to be the parents of our oldest brother as they all went through the pregnancy together. They remained friends throughout their lives... we visited them in Sentinal, and they visited in Chicago.

We lost our parents in 2007 and 2018. My brothers and I tried to locate Pat these last years, but the funeral home would not provide us with any information about Pat's location. We would have attempted to see her once again.

Oh the many stories we heard from our parents about the good life they shared with Pat and Ken. I pray they are reunited.

Enjoyed her black eyed peas and okra!

The children of Thurman and June Bennett.
