Seems as if we were only together for a brief moment.

But in that moment, you made my heart happy and made me laugh.

My heart will continue to be happy and the laughter will go on.

For I have all the wonderful memories to look back on.

I cant see you, hold you, or take care of you anymore.

But I know that you are in a far better home than I could have ever provided for you.

Till we meet again "Ol' Man"

I love you.
