“ Years ago Sissy and I worked together as CNA's at Mangum Nursing home. She always amazed me with the things she could do. Richard and her and the kids lived next door to me and my family. I remember she gave me a black poodle puppy. I remember one day we went to a restaurant to eat, and there was these 2 older ladies sitting near us. The ladies kept staring at Sissy this was really making me mad. But not Sissy she would just wave at them lol. Our families moved on and lost touch of each other. I have often thought of her over the years. And how amazing a person she was. I am sure she will be missed by her family and friends.
