“ *Raymond had such a good heart. There was a fun loving side to him, he was the jokester at family reunions who provided many laughs. He and Opal were so hospitable, one always felt welcome in their home. He will be missed by all who were fortunate enough to have known him. My thoughts and prayers are with Opal and the rest of the family in their loss of a very special man.*

“ *What a wonderful man Raymond was! He and Opal are both wonderful people! My dad worked for many years plowing and planting for Raymond and dad thought the world of him and Opal! My favorite dog when I was a kid came from Opal and Raymond. She was half Boston terrier and half bird dog! Her name was Lady Opal ❤️ Thoughts and prayers to you all!!!*

“ *I really enjoyed working with Raymond for 7 years and have missed him. He wasn't a saint by any means and he could be down right frustrating, but he had a big heart and you always knew where you stood with him. My condolences to his family for their loss. He will be missed by all that knew and loved him.*

“ Raymond was such a special person. He was one of the first to come and see us after the big attack for us being gay. He let us know that he didn't judge us but as far as he was concerned we were standup type guys that worked hard to help, not hurt or community! He had us in tears and then instead of shaking our hands he pulled us both in together and Gabe us a huge hug. Saying "just let me know if you need me to step in anywhere for your defense! ". What a man. That there is what makes a good Christian. Our love to the entire family as we share in your loss.
