Becky was always so kind. She never missed an opportunity to cheer someone on. One of my earliest memories at school was being in the old gym, our 1st grade class was attempting to shoot baskets. I remember hitting the rim when someone said "Good job! Keep trying". I turned around to see Becky smiling at me. I didn't know who she was at that point, but it made an impact. All through school she was always there with that beautiful smile encouraging me and I am sure many others. Thank you Becky.
Our deepest condolences to the Sullins and Locklear families.
