“ My sincere condolences to all family and friends, and may the good Lord allow him to rest in peace. My memories of Ricky dates back a long time as we were next-door neighbors in Elk City. I was probably just 3 or 4 years old when they moved into the neighborhood. When my mother passed away, Betty would always invite me to go to church with her, Ricky, and Roddy. Her love of Jesus Christ and the love she bestowed upon me will always be cherished. After church I would sometimes have lunch with Rick & Roddy. I'm grateful that Rick could to assist Betty as she got older with her MS, for which she and I were always grateful. When we came to Elk City, once a year, we always made sure we visited Rick & Betty, since my brother still lived next door to them.

One of my fondest memories was a car trip with them to visit Betty's sister and husband at Keystone lake in the summer of 1972 +/- . Rick was driving and was pulling off the highway in OKC to fill up with gas, but he was unable to slow down & stop. Betty looked over and said "Ricky Dean Midyett, Why are you not slowing down" and he told her calmly "Mother we have no brakes". The good Lord was watching over us, as we made the curve and able to pull into a gas station [Full Service for those that can recall], without incident. They were able to fix the brakes, by bleeding them off, tightening all connections, and then filled up the brake fluid reservoir to send us on our way. We had a great time at Keystone lake with his Aunt Jeanine and Uncle Bill, plus cousin Stephanie.
