“ *I am saddened to hear about the loss of Rita. I'm so sorry for your loss. She was an absolute joy and brightened by day whenever I had the chance to wait on her when she came in. We had many conversations. Always a smile on her face. I will truly miss her.*

To one of the greatest influences in my life . The things I've been taught by this wonderful woman during my formative years will always stay in my heart and soul. Love to all that loved her. Another Angel has received her wings .
