“ *Our father Robert was a one of a kind. He would go out of his way to help someone he liked. He had great sense of humor and was as ornery as could be. You worried about him if he wasn't being ornery. He loved his kids, grand kids and great grand kids and his wife Sue whom he had been married just short of 40 years. They were quite the pair. may he rest in peace with his Suzy Q. We will miss him greatly. With all my love.*

BL

for the family:

In this lifetime we don't know when our end comes. "I have seen something further under the sun, that the swift do not always win the race, nor do the mighty win the battle, nor do the wise always have the food, nor do the intelligent always have the riches, nor do those with knowledge always have success, because time and unexpected events overtake them all."(Ecc.9:11) This reminds us the death our loved ones isn't our fault. Things just happen to good people. Sorry for your loss.
