“ *I'm glad that he made Kathie and others happen in the later years of his life. What's missing from the obit is that he, while not connected to his children due to his own actions, is that he is survived by three great kids and two really great grandchildren:*

*A daughter, Jana Gilmore Faulkner and her husband, Todd of Lubbock, TX; her children Cole H. Gilmore and Jordan R. Gilmore, also of Lubbock; a son David P. Dollahon and his partner Christian Dollahon, of Oceanside, CA; and a son, Neal W. Carpenter of Lexington, OK.*

“ *First of all I am so sorry for your loss.  
When I first met Ron I told my husband he wasn't very sociable  
because I was talking to him and he just kept walking away! That's  
when I learned Ron was hard of hearing! Lol We will see you again  
Ron! One day we will all meet again in heaven.*
