“ It started even before Freddie and Deena were married that Ronnie felt like a part of our family. He was a dad and a friend and even a papa to Sarah. He will be greatly missed by us all I know how bad your hearts are all broken for mine is equally so but I also rejoice knowing now that he is healed and whole and we will see him again one day. His suffering is no longer and although our own grief will be a pain we will endure, the one who paid the price for all of us promised that grief may endure for a season, joy will come again. I pray for peace for all the family at this difficult time but I send prayers of thanksgiving to our Father and Jesus for providing us a future home together. Love you Ronnie!!!! Thank you Chas! He loved you. When he'd been to Wal-Mart he'd always call me to let me know he got a hug from his Chasity. It was the highlight of his day.
