“ *Eloise was a sweet lady, I enjoyed visiting with her when I hosted a "42nd Cousins" Reunion in Carter, OK several years ago. My mother was Trula Mae McEntire Francen and because of her I met many of the McEntire "double cousins" and their offspring by attending a couple of reunions in Sentinel, OK in the late 70s & early 80s, some of whom taught me to play Farkle, a dice game I still play, although now on my computer! One of the things I learned growing up was that McEntire meant love, and a cousin is a cousin whether 1st or 42nd! One of these days I will attend the greatest McEntire Reunion ever when I see many of them again in heaven. I am so very thankful for the heritage of my McEntire family! My thoughts and prayers are with Don and all of Eloise's family.*
