“ Dear family of Steve Harrison..
Steve and I lived in the country outside Hobart and one day Steve rode his bike over to our farm.. we decided to race our bikes around circle gravel driveway beside our barns.. I was a tomboy and was quite sure i could beat him in the race!! As we rounded the for the finish line, I put all my 11 year old scrawny weight into the turn!!!! Long story short: I ended up on my mom’s kitchen counter having her tend to my many scratches and scraps! Your dad won the race and his reward was to help me to the house for first aid!! He was a great person and I am so sorry to hear of his passing.. my prayers are with you, his beloved family.. Sandy Brown Plender
