“ *Stu was one of my seniors in the Class of 2009. I was only at Granite for 1 year, but the students made a lasting impact on my life. Stu was always the life of the room, the one to crack a joke and make us all laugh. He was on our academic team and helped navigate those old Oklahoma roads to competition. He drove my Dodge Charger on his graduation day and about burned the rubber off the tires. He was a kind, loving and sweet young man, and I will always smile when I think of him. My prayers are with his beautiful daughter and his family. Love you Stu man.*

“ *The best friend a guy could ask for. An amazing father to Roxi. His world revolved around that little girl. His heart for other people knew no bounds. You'll be forever in my heart little brother. John 15:13 No greater love has any man than this :to lay down his life for a friend.*
