“ Teri and Family, I was saddened to learn of the loss of Tim today. I remember you both from when I first hired on and worked at DOC HQ in the late 80s/early 90s. I looked up to both of you (figuratively as well as literally) and always admired your professionalism, compassion and kindness to others.

It is never easy to lose a loved one and you are all in my thoughts and prayers as you go through this time of mourning your beloved Tim.

Then later when he worked for Lawton Correctional Facility, I got to work with him again when I was in the private prison unit. He was very good at his job and a great friend. He will be missed.

The thing I remember the most about Tim was his love of life and the courage he showed thru all his situations. Teri, love and prayers to you and your little family and I will always remember the good times and laughs we had at LCF & LARC. Tim was a Christian man so just remember, we'll see him after while.
