

Troy Dean Coffman

January 15, 1957 - November 14, 2020

Troy Dean Coffman was born January 15, 1957 in Hobart, OK to Madoline and Carrell Coffman.

Troy passed on November 14, 2020 at his home in Roosevelt at the age of 63.

Troy attended schools in Blair, OK and graduated from Roosevelt High School, Roosevelt, OK

in 1975. From the time it was possible for him to be on a baseball team, as a child, he was. He

played on Little League, Lions Club and school teams. In addition, he earned a scholarship to

play baseball at Western Oklahoma State College. He also attended a semester at

Southwestern Oklahoma State University. He explained he had to study too much to make an A

on a zoology test (which he did), so he was finished with college and enrolled in welding school.

He was a master certified welder owning his own welding business in Hobart for many years

and working in the oil and gas related fields for many years as well. When the oil and gas

business was on a downside Troy did contract work for construction companies.

Troy loved fishing and hunting with his dad and other family members and

friends. Some say his accuracy in shooting would be difficult to challenge. The opening of deer season was something he looked forward to as well as quail season.

Troy is survived by 2 sisters, Anita Kliewer and husband Charles, Blanchard, OK and Sandy

Jackson, Rockwall, TX, 3 nieces, Jill McGraw and husband Jeff, Norman, OK, Kila Smith and

husband Johnny, Quinlan, TX and Erin Bookout and husband Paul, Oklahoma City. Survivors

also include great nieces and nephews, Parker McGraw, Jansen McGraw, Maylyn Archer, Cole

Archer and Charlie Bookout.
