“ I worked with Vince for 3 years in UCO's Facilities Management Department. I enjoyed the many conversations we had about work, life and OSU & OU.

*The last conversation I had with him was the first part of July. He had heard that I had been ill and he was following up to check on me. I appreciated his phone call so much. I didn't realize that would be the last conversation I would have had with him. :)*

*I am heartsick that he has left us and at such a young age. Life is certainly a mystery! My thoughts and prayers are with all of his family during this difficult time.*
