“ So many memories growing up with Wendell. He was best friends with my brother Rex and my husband Larry. He was at our house a lot watching tv but mostly listening to music. Thanks for letting Rex's little sister always tag along.

“ From 6th grade through high school Wendell and I were inseparable. We had a lot of good times growing up and listened to a lot of good music (KISS and Van Halen were our staples)! I much enjoyed interacting with him in these past ten years on Facebook; chatting during OU games, and always commiserating with each other on how long it was taking TOOL to come out with a new album.

It was great to see him the past few times I came back to Hobart to visit--catching up on new things, discussing politics, talking about old times/firnedes while remembering what a great, best friend he was growing up. I think fondly of the times in jr. high we would go to his Grandma Pearl's for lunch and later in high school driving around in his Trans Am, (his 455 which he was very proud of!)

You will be missed Wendell. Rest In Peace my friend.

Hi Harold and Elva. Sorry to hear about Wendell. Ray & Mary Holland

Raymond Holland - September 10, 2021 at 06:20 PM

*Ray and Mary it was a shock. I am thankful he was here with us. We had just finished Lunch, setting in Den visiting, he gasp for air and rolled on to the floor. I performed CPR to no avail. I was like the preachers preach and people wish they could pass away like. He was gone in the twinkling of the eye. no pain.
Love you both stay safe and have fun with the grandkids and great grand.*
