

William "Chase" Caid

August 21, 1991 - December 3, 2020

William Chase Caid passed from this life on December 3, 2020 at age 29. He was born on August 21, 1991 in Altus, Oklahoma to Gwynne Dale Caid Jr. and Debra Kay (Carothers) Caid. He always said having three older sisters was like having 4 mothers. He was a member of the First Baptist church. He loved Sunday school with Margy as a little boy and would stand in his chair in hopes of being chosen to lead his class in prayer. He was also very active in the youth groups as he got older and loved attending Falls Creek each summer with his friends. Chase grew up in Granite and attended Granite Public Schools. He was active in FFA, baseball, basketball and wood shop. He achieved All State in Baseball, received the Golden Hammer Award, earned both the State and National FFA Degree, was Valedictorian of his Freshmen class and Salutatorian of his Senior class. After graduation he spent 3 years attending college in Lawton, Altus and Stillwater trying his hardest to not earn an education. He then moved back home and told his dad the obvious that college was not for him and he was ready to settle down and help with the farm and the cows. He loved baseball and basketball and would still help out at the field or gym in any way he could. Chase also enjoyed hunting, fishing, showing pigs, bailing hay, wheat harvest and working cattle. Chase is survived by his parents Skip and Debra Caid, sisters: Wendy Sites and husband Ryan of Tuttle, Mandy Jefferson and husband Alan of Yukon and Cindy Rogers and husband Jeremy of Havre de Grace, MD, His paternal grandparents Dale and Anna Lou Caid, his nieces and nephews: Rhett, Caid,

Kenlea, Zane and Logan and his fur babies, Lori and Tweeder, along with a host of other relatives and friends. He was preceded in death by his maternal grandparents, Ray and Rudean Carothers.

Public visitation for Chase will begin Tuesday, December 8, 2020 at 1:00 P.M. until 8:00 P.M., with family receiving friends between 6:00 P.M. and 8:00 P.M. at Peoples Cooperative Funeral Home located at 1400 West Main, Lone Wolf. Services for Chase are scheduled for Wednesday, December 9, 2020, 2:00 P.M. at the Granite High School Baseball Field, Granite, Oklahoma. A Private Family Interment will take place at the Granite City Cemetery following services.

In Lieu of Flowers the Family requests that donations be made to the Chase Caid Memorial Fund that has been set up at the First National Bank of Granite. Donations will be used through the school to help kids in both the academic and the athletic areas.

“ There are no words of comfort no medication no way of making sense of such a tragic loss. As the parent of a child who the Lord called home early my words to the family are hold on to your faith in God and know nothing you could have done could make things different. From the shock and heartbreak of the horrible reality you faced to the process of giving your child back to the earth it is as heartbreaking as it can get. Everyone grieves differently and no ones grief is the same. In the early days of my childs passing the thought of it never escaped my mind. I had to take it minute by minute. As the minutes turned into hours the hours into days and the days into weeks, months and years the overwhelming sense of loss and heartbreak started to subside. When the thoughts of my child come to me now instead of them being of sadness and grief I am now able to remember all the love and joy he brought to my life and thank God for allowing me to be his father on this wretched earth. My child passed from this earth due to his own decision to do what I had forbidden him to do. I did my job I taught him right from wrong and the dangers of this world but by his choice he didnt listen there was nothing I could have done to make it different. I empathize with you and your loss I have been there it is a place no parent should have to go through. I know you cant see it now but in time it is going to get better. Chase was always a joy to do business with and a hoot to be around when he was here at my shop. You all did a good job raising a fine young man who will be deeply missed by so many in Old Greer County. My prayer is that you find peace and comfort in knowing he is with our savior Jesus Christ where there is no pain, heartache and suffering as we have here on earth. God Bless You All!

“ When Chase was 7 or 8 years old, he would ride with me to Kansas or Colorado to drop off a tractor or trailer for wheat harvest. He made the long drives fun! We also would ride with each other in the grain cart as I think he was driving the tractor by age 7!!
