“ *Oh the memories I can share of growing up being best friends with Terri Beth. Wilma welcomed me into her home each summer like I was one of her own. What wonderful days those were! Days filled with childhood fun. Our imaginations were our best toys. Playing dress up at either Wilma's house or my Grandparents Bonds house! I miss those days!*

*I'm sending my love to all of Wilma's family and an extra dose of love to my best friend in Lone Wolf, Terri Beth! RIP Wilma! ??*

“ *I am so saddened to hear of my friend, Wilma, passing. Even though I moved away we stayed in contact with each other at least yearly in our Christmas greetings to each other and other times via computer email.*

*She was the sweetest and kindest lady who was absolutely brilliant as the tag agent. Every Christmas season she would pull out the Christmas ball with what she said were mesmerizing lights that I made for her. I shall always remember her with such fondness and admiration. She always talked about her family and how special they were. We were all blessed to have known such a wonderful lady who never forgot anyone who visited her office. My thoughts and prayers to her family. RIP my dear friend.*
